# Secure Lock Frames Correx

Description: Our Secure Lock range is our highest specification lockable poster frame system, making it ideal for outdoor locations where a high level of security is required. It features a heavy duty 55mm extruded aluminium profile and lock system as well as heavy duty stainless steel hinges. These frames come in a durable, hard wearing silver anodised finish as standard.

Specification: 55mm extruded aluminium frame / 2mm strong plastic glazing / 5mm correx interior panel / 40mm external depth / 2mm internal depth / Hardwearing stainless steel hinges / Water-resistant seal that borders the graphic / Suitable for external use / High security lock

	Graphic Size (mm)	Visible size (mm)	External Size (mm)	Internal Depths (mm)	Avg. Gross Weight (Kg)
A3	420 x 297	394 x 271	504 x 381 x 40	2	3.6
